2008 NISSAN FRONTIER

IT'S GO TIME. Next stoplight – 400 miles. Forge your way with a mid-size body hugging a full-size frame. 261 hp and 281 lb-ft of grunt as your guide. Single-minded ruggedness married to advanced technology. A spray-on bedliner when the catch of the day is a 400-lb boulder – tied down with Utili-track to make sure the rock don't roll. 6,500-lb towing capacity to handle the toys.¹ Bluetooth® to handle the calls. Just load up the Rockford Fosgate with 1,000 songs and aim for the horizon. You'll get there.

¹ See your owner's manual and Nissan Towing Guide for specific towing information. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license.
